

What is a Saturday Sampler? A Saturday Sampler is a monthly club for members to come together, on a Saturday of course, to show off their recently made club block, see a demonstration of the next block, get a sneak peek of the newest tools and get the **free** fabric & pattern for the next month's block.

What happens if a person cannot come to the month's meeting? Well, you'll miss getting the next month's FREE fabric for the next block. But don't despair, you can stop by the store the week *after* the meeting and purchase the missed block for \$12.99*. After 1 week, block supplies may no longer be available for current block.

What happens if a person is just a few minutes late or has to leave early? Refer to the answer above. Please don't ask us to bend this rule for you. It's not fair to the people who fulfill their commitment, and it is embarrassing for you and us when we have to publicly deny your request.

What happens if a person doesn't make the assigned block for the month? You'll be very sad but don't cry in your Post Toasties. Instead, come to the meeting anyhow, enjoy the labors of the other sewists and purchase the next month's block(s) for \$12.99

Is there a cost for the club? There is a one-time registration fee of \$25.00 to register. This includes the pattern book you will be using for the entire session.

Can patterns be shared between friends & family? Um...No. Ever heard of copyright laws? There are no “quilt police” but there are copyright police. We don’t want them raiding a bunch of quilting ladies at the store do we? Unless it’s Jason Momoa. Then raid away hottie!

What is a session and how long will it last? A session is the amount of time needed to complete the current pattern. Sessions will be designed to last approximately 10-12 months.

Who is this club for? This club is open to anyone who enjoys sewing and quilting. The patterns have been chosen for all levels of quilters with varied levels of experience.

Do I have any color choices? The Mystery Quilt will be done in brightly colored fabrics with many opportunities to add or substitute your own fabrics.

When will the club meet? The Saturday Sampler Club will meet the 1st Saturday of each month at 11:00a at Not Your Mama's Quilt Store and last approximately 1 hour. (Some dates may have to be changed to accommodate holidays.)

How does a person join the Saturday Sampler Club? Simple! Call Not Your Mama's Quilt Store at 972-612-2641, or go online to [Saturday Sampler Registration](#) to register. Then, come to the first meeting to start the fun!
