Not Your Mama's Quilt Store proud to partner with award-winning, [Lynne Haley of Sapphire Quilting](#) to offer longarm quilting services to our customers.

Starting at just .02¢ a square inch for E2E (edge-to-edge) quilting, you will have the option to customize your quilting pattern, thread color choices, batting and binding options.

It's easy to work with us to get your quilt finished. Let us tell you how:

- ✓ Finish your quilt top, trim loose threads, and iron all your seams
- ✓ Include your quilting backing. If you haven't seamed the backing, Lynne will do it for a \$10 charge per seam. Include fabric for binding (if you want her to finish it for you)
- ✓ Lynne features Hobbs Batting in either 100% cotton or 80% cotton/20% polyester for all quilt sizes or you may bring your own batting if desired. Special orders of wool, bamboo, silk & recycled are available.
- ✓ When you drop off your quilt at our store, you will choose your thread color and quilting pattern design from our catalog.
- ✓ Don't have time to add the binding? Lynne offers this service for an additional fee or you can do it yourself.
- ✓ Your quilt will be completed in approximately 4-6 weeks (may vary during peak times). You may pick up your quilt at Not Your Mama's Quilt Store. Payment should be by check or cash payable to Sapphire Quilting.
- ✓ All excess fabric and batting will be returned to you unless otherwise noted.
- ✓ Please note there is a minimum quilting fee of \$50
