## **Retail Sales Job Description**

Join my team of creative quilters and sewists in Plano, TX. Sewing isn't just for grannies anymore, just take a look at IG and Pinterest! Creativity abounds! We want to add to our team, a person who has computer knowledge, is very organized, excited about learning, not shy to talk to customers and wants a fun place to work! If you're a quilter or know how to sew, that would be a "leg-up" in the application process but, not required. Did you know you also get an employee discount when you work at Not Your Mama's Quilt Store?

Work attire is business casual and tennis shoes are just fine.

The perfect applicant will have great display ideas, fun color combination ideas, ready to unpack boxes, carry bolts of fabric and **talk** to people. This is a retail/sales job so, an open mind and willingness to learn is very, VERY important. We'll teach you how to introduce products to customers, how to demonstrate tools and how to close a sale. Put all these lessons to work and you'll be a key player on our sales team in no time! We do NOT hard sale (this isn't a car lot 😊). We love fabrics, we love quilting and we introduce everything to our customers. This makes for a great SOFT sale! Did I mention that you get an employee discount? Yep, you do!

This part-time (25-30 hrs) position will include weekends, weekdays and some holidays. There are certain events that will require more work days/hours but, you will know that in advance. Work attire is business casual. Tennis shoes are okay.
