

Not Your Mama's Quilt Store

All Around the Neighborhood Saturday Sampler

What is a Saturday Sampler? A Saturday Sampler is a monthly club for members to come together, on a Saturday of course, to show off their recently made club block, watch a demonstration of the next block, get a sneak peek of the newest tools and get the **free** materials for the next month's block.

Free materials?! How do you get the free fabric for the next block? This is the fun and easy part! All you have to do is attend the monthly meeting and make the assigned block. Each month bring your finished block to the next meeting and at the end of the meeting pick up your **free** packet of material for the next month's block! Easy Peasy!

What happens if a person cannot come to the month's meeting? Well, you'll miss getting the next month's FREE fabric for the next block. But don't despair, you can stop by the store the week *after* the meeting and purchase the missed block for \$7.99*. After 1 week, block supplies will no longer be available for current block.

What happens if a person doesn't make the assigned block for the month? You'll be very sad but don't cry in your Post Toasties. We won't walk you around the village chanting shame, shame (G.O.T. reference). Instead, come to the meeting anyhow, enjoy the labors of the other sewists and purchase the next month's block for \$7.99

Is there a cost for the club? There is a one-time registration fee of \$14.99 and includes purchase of the pattern or book used for the current session.

Can patterns be shared between friends & family? Um...No. Ever heard of copyright laws? There are no "quilt police" but there are copyright police. We don't want them raiding a bunch of quilting ladies at the store do we? Unless it's Ryan Gosling. Then raid away cutie!

What is a session and how long will it last? A session is the amount of time needed to complete the current pattern. Sessions will be designed to last approximately 10-12 months.

Who is this club for? This club is open to anyone who enjoys sewing and quilting. The patterns have been chosen for all levels of quilters with varied levels of experience.

Do I have any color choices? The **All Around the Neighborhood Saturday Sampler** will be done in bright colors with many opportunities to add your own scrap fabrics.

When will the club meet? The Saturday Sampler Club will meet the 1st Saturday of each month at 10:30am or 1:30pm at Not Your Mama's Quilt Store and last approximately 1 hour. (Some dates may have to be changed to accommodate holidays.)

How does a person join the Saturday Sampler Club? Simple! Call Not Your Mama's Quilt Store at 972-612-2641, or go online to [Saturday Sampler Registration](#) to register and buy your pattern/book. Then, come to the first meeting to start the fun!
