

Arctic Star Class Supply List

Pre-cutting the fabrics is a mandatory requirement prior to taking this class. The only pre-cutting you need to do is to cut the strips that are listed in the fabric guide and have them labeled and in their corresponding bags. I will take you through how to read your pattern and further cut your material.

Fabric Selection: Please refer to the yardage on the back of your pattern for the required fabric amounts. Also look on the back side of this sheet for a fabric guide with cutting instructions.

Preparing your Foundation Papers: Please read and follow the instructions for "Foundation Papers and Templates" on page 2.

Note: PLEASE PAY SPECIAL ATTENTION THAT YOU DO NOT CONFUSE

FOUNDATION PAPERS WITH TEMPLATE LAYOUT SHEETS.

- **Foundation Papers:** These are the foundations that you will sew the fabric directly onto. These need to be trimmed leaving a 1/8' border. Do not cut the individual units apart.
- **Template Layout Sheets:** The template layout sheets are used to cut your fabric. You will cut through these templates when you cut certain parts of your fabric. These need to be trimmed leaving a 1/16" border and used per the directions in the pattern.
- **Templates:** The templates are also used to cut your fabric. Unlike template layout sheets where you don't have to be exact when cutting out your fabric using them, with templates you must be exact when cutting out your fabric.
- **Note:** Once these pieces are cut out place them into their respective bags. You will find that information on page three in booklet one and on pages one and two of booklet two.

The following items will be used in class:

- Sewing Machine with a Quarter-inch foot
- Medium Size Cutting Mat (a nice size is 18"x 24")
- Rotary Cutter
- Size 70 Needles
- Scissors
- Seam Ripper

- Glue Stick (we like to use the Scotch Repositionable Glue Stick or Scotch Restickable Glue Stick)
- Purple Thang (Optional)
- Glue Pen (Fons & Porter, Sewline or Avery)
- Ruler (please bring a ruler for trimming up units, whatever your favorite sized ruler is will be fine)
