## Description of Club

Rulers, rulers, and more rulers! Our quilting world is full of rulers designed to assist us as artists to create visually stunning quilts beyond the basic rectangles and squares. Participants will have the opportunity to explore different rulers and patterns specific to those rulers throughout the course of the year.

In 2026, participants from the previous year decided to start with the Alaska ruler and the pattern, The Little Frontier - a small wall hanging. Upon completion of that project, participants will decide with ruler(s) and pattern(s) they wish to pursue.

## Club Objectives

Over the course of the year members will have the capacity to accomplish the following as a minimum:

- ① manipulate a variety of acrylic quilting rulers to cut fabric for quilts;
- ① piece blocks to create appealing designs;
- ① discover and share techniques useful in piecing non-traditional quilting pieces.

## Additional Cost, if purchased at OJQ (before 10% discount)
