

Grids Girls 1 Supply List Against the Rail

Class Ruler: Straight Out of Line Ruler

The Straight Out of Line tool creates unique four-patch blocks with the illusion of curves.

Pattern: Against the Rail

Fabric Requirements:

(24) 9" squares - Variety of Dark Fabrics

(24) 9" squares - Variety of Light Fabrics

5/8 yard - Accent Fabric

1 1/4 yard - Outer Border Fabric

Cutting Instructions: Please have everything cut out prior class. I would highly recommend treating all fabrics with Best Press or starching agent. We will be cutting and sewing on the bias, so the starch will help combat the stretching. You can use part of a layer cake - just cut the squares down to 9".

Light Fabrics: (24) - 9" squares

Dark Fabrics: (24) - 9" squares

Accent Fabric: (48) 1" x 9" strips

(7) - 1 1/2" x WOF strips - inner border

Outer Border Fabric: (8) - 6" x WOF strips
