

# Improv Quilt Class

Heather Buchwitz

Date: \_\_\_\_\_ Time: \_\_\_\_\_

## *Supplies*

- A selection of Fat Quarters or Half Yard cuts— Many of the blocks are 1 or 2 color plus a background. Minimum I would bring 6 quarter to half yards in 2 colors (light, medium & dark) plus 1 fat quarter or half yard of an 3rd color that will “pop” against the first two.  
In the sample shown—3 shades of pink/red & 3 shades of yellow/orange were used along with blue for a pop of color
- Scissors & Straight Ruler (for marking)
- Rotary Cutter & “ruler” to square up your blocks before final assembly—measuring is NOT required—just a straight edge that is appropriate for a rotary cutter
- Marking pen or chalk
- Design Wall
