Class Rulers: 4" Log Cabin Ruler + Strippy Stars Ruler.

Create perfect 4" finished Log Cabin, Half Log Cabin, or Courthouse step blocks with this ruler. The ruler does all the hard work for you! Continue working knowledge with Strippy Stars Ruler. This is the perfect project to use your scraps!!

Pattern: Little Logs Starburst

Fabric Requirements: I used a charm pack + background fabric + 2 solid scraps for my project. If you want all the same background you will need 1/2 yard.

(32) - Light 5" Squares

(28) - Dark 5" Squares

1/8 yard Red fabric (Center Squares)

1/6 yard background (Outer Border)

Cutting Requirements: Please have everything cut out prior class. I would highly recommend treating all fabrics with Best Press or starching agent. We will be sewing small widths of fabric this will help alleviate stretching and inaccurate piecing.
