

# Supply List

## Mega Dream Bag

Betsy Russell [betsy@russell4.com](mailto:betsy@russell4.com) – 734.883.8515 cell

Skill Level: Advanced beginners

**Please text or call me with your contact information as soon as you are registered** and I'll email you a page of cutting labels and extra material details so you can prepare your fabric before the class date. This is a fun, detailed bag that takes about 7 hours to make (not including the *3-4 hours it takes me to prep materials for this class*). The zipper installation will be no problem. Feel free to contact me with *any* questions or concerns.

**Pattern** - Bodobo Bags by Ticklegrass Designs

**Mega Dream Bag** (9" tall, 10.25" wide, 6" deep, 15.5" at top when closed)

**Fabric Requirements:** Purchase pattern and see back for fabric requirements. This will include fabric, Pellon SF101 fusible interfacing (Shape Flex), and fusible fleece such as Pellon TP971F or #987.

Zipper size **UPDATE:** Mega bag: I Recommend a 24" (or longer) 4.5mm handbag zipper with 1 zipper pull (this measures 1.25" wide). . If your zipper has 2 pulls or is longer than stated on back of pattern, don't worry, we'll cut it to fit. [I would not recommend a 3mm zipper, known as dress/skirt zipper, it measures only ¾" wide]

**\*All fabric must be cut before class\*** (*it takes me 3-4 hours to prep for this class*)

Follow the *Cutting Directions* at top of page 1, except for zipper tab. \*If you want more pockets on the outside of your bag, cut 2 additional pocket pieces (will need more SF101).

**UPDATE:** - cut **zipper tab 2.5" x 3.5"** (not 2"x3") for 4.5mm zipper

Call me if you're new to fusing SF101 woven fusible interfacing or have directional fabrics.

**Update:** -Page 1, Pellon SF101 for pockets, cut 2 – 11"x14" (on Stitcher's Bag) not 5-1/2" x 14"

### Sewing Supplies:

- All fabric materials, thread and wound bobbin (match to Outside Top fabric)
- Sewing machine with power cord & foot pedal
- Sewing Feet: ¼" foot, Zipper foot, Reg/Zigzag foot
- Size 90/14 needle, new, *I use Superior Topstitch Titanium (has longer eye)*
- Fabric Marking pens – Frixion & dark fine lined Sharpie
- Favorite notions: Scissors, Tweezers, Stiletto, Seam Ripper, **PINS** & wonder clips
- Pressing Cloth, iron optional
- Rotary Cutter with Sharp Blade
- Rulers – 6x12", 6x24", 3x3",
- Mat – 12x24"
- Make a copy of pattern directions to take notes during class, or bring paper and pen.
- Seams-Flat Pressing Bar & Roller to press seams open - optional

Sewing machine in good working order - – have good knowledge of your machine.

Bring drink, snacks or lunch, if you wish! Water will be provided.
