

## **Prairie Point After Dark Strip Club Supply List**

**Instructor/Moderator:** Bobbie O'Keith

### **Class Description:**

Prairie Point After Dark Strip Club is a fun, new group of gals who will be learning a new technique using the Cozy Quilt Designs Strip Tube Ruler. Come join Bobbie and her friends as we make 5 beautiful quilts for 2026. These are easy, beginner friendly quilts that can help you use up your stash or jelly rolls that you have hiding for just the right occasion.

We will meet every other month beginning on March 26th on the Fourth Thursday at 4pm - 8pm. This will be a go at your own pace class with the goal of finishing 5 different quilts by Christmas!

### **Items needed:**

- The Strip Tube Ruler by Cozy Quilt Designs
- Jelly Roll of your choice or bring a minimum of 30 - 2 1/2 inch strips to be used (these will make a lap size quilt – see pattern fabric requirements if you would like to make a larger size)
- Sewing machine
- The usual notions (rotary cutter, scissors, thread, etc.)

### **Patterns by Cozy Quilt Designs:**

First class in March you will need to purchase the “Three Cheers!” pattern. If we are out of them in the shop, please request a special order and we will get them ordered and set aside for you.
