Class: Spider Web Ruler.

Learn how to use the spider web ruler to make floating 45 degree triangles. You can also use this ruler to make kaleidoscope blocks.

Pattern: Winding Road Table Runner

Fabric Requirements: I cut 5" squares from various fabrics to achieve an ombre look. You could also use a charm pack.

(20) - 5" squares of different prints or 1 charm pack  
2/3 yard background

Cutting Requirements: We will be doing most of the cutting in class. I would highly recommend treating all fabrics with Best Press or starching agent. We will be sewing on the bias - this will help alleviate stretching and inaccurate piecing.
