

Singer Featherweight Workshop

Cleaning and Care of your

Singer Featherweight

Amanda Minard

Sat., Dec. 19 10:00-2:00

What to bring:

Working Featherweight sewing machine

1 roll of Paper towels along with 1 bag or box of cotton swabs from the \$1 store.
(These tend to have less cotton on the tip)

Flashlight

Screw driver that came with your machine if you have one, if not, please bring a 6”
screwdriver. The correct size will fit the throat plate screw.

Scraps of fabric to sew out machine

Old, soft bath towel

Oiler with long tip, Singer sewing machine lubricant (Prairie Point Quilt shop will
have these in stock, and available for purchase)

New needle, good sewing thread, full bobbin

OPTIONAL but recommend: Apron to protect your clothing, Ott/DayLight desk
style lamp.
