Wednesday October 6 10 - 4

I love this banded Lemoyne Star. Smooth Jazz is a beautiful variation of the banded Lemoyne Star. In this design, the star points are cut from background fabric and banded with color, but then half of the banded star points are reversed. This creates an interesting banded star.

Required Tools: Rapid Fire Lemoyne Star and Tucker Trimmer III

Make sure all the tools have grips of your choice on the back.

Pattern: Smooth Jazz

Fabric Requirements:

Background fabric; If you are doing scrappy and depending on what size you wish to make, I recommend adding a least 1/8 or 1/4 yard to each fabric.

All of the other fabrics worked out great.

Cutting Requirements:

Follow the instructions for Smooth Jazz and have everything cut out. We will cover the whole quilt.

I have underlined the sewing supplies that are a must:

Basic Sewing Supplies

Sewing machine and cords

Thread

Machine needles

Snips or trimming scissors

Seam ripper

Small Iron and mat(optional)

Sharpie Ultra Fine Point Marker

Rotary cutter

Marking pencil (your favorite)

Small cutting Mat at least 18"x24"

Straight edge ruler 6" x 12" or so

True Grips

Best Press

Bring a lunch and snacks! The class is 6 hrs. See you in class, Wendy
