

# The Quilt Corner

Temp hours: 10am - 4pm  
Mon. - Sat.

## Hello From Your Friends at The Quilt Corner

We hope this finds you well and happy. We just wanted to send out a small newsletter to get in touch with all of you during this unprecedented time. For those of you who did not know, we had been operating under limited hours. Michelle and Vermeda were manning the ship. Thank you for your patience if you were unable to get through during those hours. We are still running on cut back hours of 10 am - 4 pm. Please leave a message if you are unable to get through as phone call volumes have increased. Or feel free to message us on Facebook. We are very grateful to all of you who have made masks for the cause. We have had customers making hundreds upon hundreds of masks. Great job everyone! We

will continue to try to keep elastic and all the other necessary supplies for masks. We have a drop off basket for those of you making masks and don't have a way to donate them. We have a nurse contact at OSF we notify when we have donations. If you have questions please don't hesitate to message us on Facebook, call us, email us or safely visit during the hours of 10 am and 4 pm. We will of course personal shop and curbside pick-up for those who need it. We also offer other great time buster options from puzzles to books and kits for a project. We also carry wool projects! There has never been a greater time to learn a new skill. We hope those of you who pulled out your existing machines or purchased

one to help, keep those machines humming! Keep reading for our plans to move forward safely. We will be happy to assist anyone wanting to further their sewing experience and make wonderful homemade projects with us! Thank you to all of you!

## Moving Forward

As we move forward we take our cues of course from local government. We are operating under limited hours until further notice. Facebook has been a wonderful tool in keeping in contact. If you are unable to access a computer we are here in store Monday - Saturday and will be happy to keep you updated. We also encourage those of you who are not yet on our mailing list to sign up for email updates.

You can sign up for emails on our website [www.thequiltcorner.biz](http://www.thequiltcorner.biz). Please keep reading to see how we are handling clubs and classes. Many customers who make masks are also making other great helpful projects like nursing home blankets. Thank you to all of those making special homemade items to brighten someone's day who are secluded during this time. Keep up the good work!

While the hours are

extended to 4 pm, this is not normal business hours. We will resume as soon as it is safe to do so. As always, please do not visit if you are sick. Wear a mask to reduce risk if you are high risk. Also, employees are back on the premises. Happy to answer any questions you may have. We're so glad to see you all again. Let's Shop smart and stay healthy!

## Classes, Clubs, ETC.

We are at this time unable to say if our Summer Sun-Sational retreat will be able to be held. We will let you know as soon as we can.

All Clubs are suspended as of this time. Quilt Club is running on a virtual basis. When this changes we will post and send an e-mail to let everyone know when we are all able to gather again. However, Basic classes will run, with social distancing guidelines in place. Classes will be a limited size. Every attendee will have their own table positioned 6 ft. from the others. See below for dates and times.

**\*\*Reminder: Basic I attendees receive a 25 % discount on fabric AND supplies for the class\*\***  
Questions? Give us a call and we would love to tell you more about our Basic classes.

As we all try to navigate through these confusing times we want all of you know to we will be here for you. Whether you need fabric or just a kind word or a update.

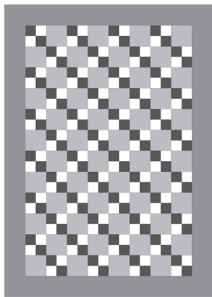

We are in the works of coming up with some Summer Workshops. These workshops will include projects like our Table Square, Tissue Box Holder and other fun projects from our store. Dates, times and projects TBD.

## Class Schedule

### BASIC I: 4 Session Class

## In Conclusion

Thank you to all who have supported us during this time. We have met so many new friends. And we are so glad to see familiar faces. Thank you all for sharing our passion of creating through fabrics, wools and other creative mediums that make our craft so special. We look forward to continuing to supply central Illinois and those of you shopping with us online and on Etsy. We hope to see you all soon!
