

approximately 59-1/2" x 59-1/2"

# Rick Rack out of whack

A diagonal lattice of rick-rack intersects to form secondary pinwheels in this fun wallhanging. Choose a medium-scale floral for the background and then two high contrast fabrics for the rick-rack.

## Fabric requirements

Yardage is for 42-1/2" wide fabric with 40" of usable fabric

- Background — 2-1/4 yards
- Rick-rack intersections (pinwheels) — 3/4 yard
- Rest of rick-rack (other triangles) — 1/2 yard
- First border — 1/2 yard
- Second border — 1 yard
- Backing — 3-1/2 yards
- Binding — 2/3 yard

## Cut — Read all directions before cutting

Background — piece A — cut 12 strips 3-1/2" x wof\*, then cut 72 rectangles 3-1/2" x 6-1/2"

— piece F — cut two strips 12-1/2" x wof, then cut 12 rectangles 12-1/2" x 6-1/2"

— piece E — cut one strip 3-7/8" x wof, then cut 8 squares 3-7/8" x 3-7/8"; cut these squares in half diagonally to form 16 triangles.

Rick-rack intersections — piece C — cut four strips 3-1/2" x wof, then cut 36 squares 3-1/2" x 3-1/2"

— piece D — cut one strip 3-7/8" x wof, then cut eight squares 3-7/8" x 3-7/8"; cut these squares in half diagonally to form 16 triangles.

Rest of rick-rack — piece B — cut four strips 3-1/2" x wof, then cut 36 squares 3-1/2" x 3-1/2"

First border — cut six strips 2" x wof

Second border — cut six strips 4-1/2" x wof

wof\* — width of fabric

## Construction — all seams are 1/4"

Read all directions before sewing

1. Sew all of piece B to 36 of piece A. See diagram 1. Sew on the diagonal and trim excess leaving a 1/4-inch seam allowance. Press triangle corner open.
2. Sew all of piece C to the remaining 36 of piece A. See diagram 2. Sew on the diagonal and trim excess leaving a 1/4-inch seam allowance. Press triangle corner open.

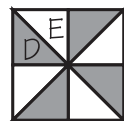

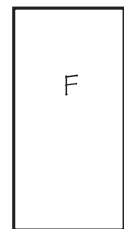

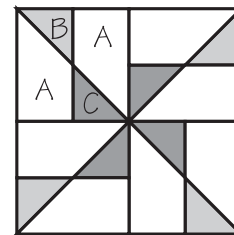

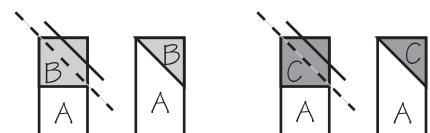

diagram 1

3. Sew these two new rectangles together to make quarter block. See diagram 2. Make 36 quarter blocks. ( $6\frac{1}{2}" \times 6\frac{1}{2}"$ ,  $6" \times 6"$  finished)
4. Sew four quarter blocks together to make whole block. See diagram 3. Make nine whole blocks. ( $12\frac{1}{2}" \times 12\frac{1}{2}"$ ,  $12" \times 12"$  finished)
5. Sew triangle piece D to triangle piece E to make half-square triangle D/E. Make 16 D/E half-square triangles.
6. Sew four half-square triangles D/E together. See diagram 4. Make four small blocks. ( $6\frac{1}{2}" \times 6\frac{1}{2}"$ ,  $6" \times 6"$  finished)
7. Sew quilt center together following diagram 5. ( $48\frac{1}{2}" \times 48\frac{1}{2}"$ ,  $48" \times 48"$  finished)
8. Cut two strips of first border fabric into four pieces  $2" \times 20"$ . Sew one small strip on each of the remaining four first border strips. Sew these new, long first border strips on sides of quilt center. Trim ends as needed.
9. Cut two strips of second border fabric into four pieces  $4\frac{1}{2}" \times 20"$ . Sew one small strip on each of the remaining four second border strips. Sew these new, long second border strips on sides of quilt center. Trim ends as needed.
10. Baste, quilt, bind and enjoy!
