

February 2014 Red Bag Club
Bursting Box
 How-to Instructions, Page 1

12" x 12" Sheet of Paper

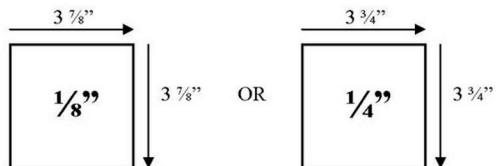

STEP 1:

STEP 2:

STEP 3: *For your patterned paper pieces you can choose from an insert $\frac{1}{8}$ or $\frac{1}{4}$ smaller. $\frac{1}{8}$ will leave minimal background showing. $\frac{1}{4}$ will leave slightly more background showing.

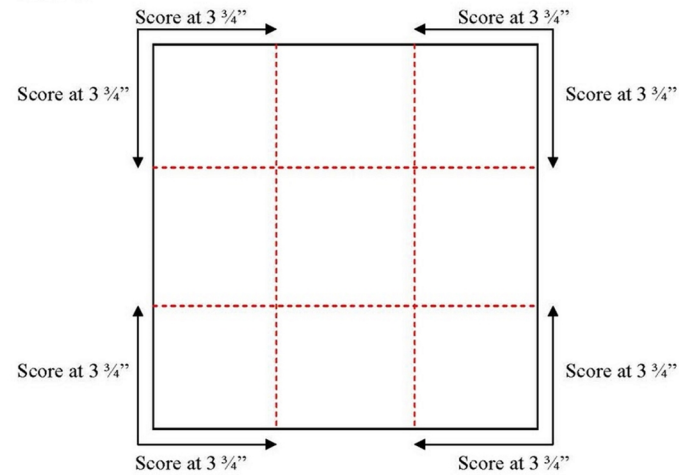

*You will need 8 of these squares.
 4 for the outside of your box and 4 for the inside.

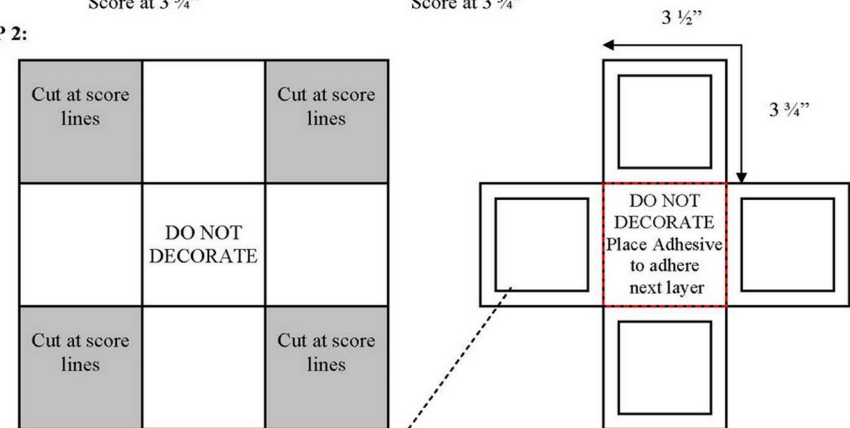

*Lastly, adhere your patterned paper to both sides of your base layer leaving the center blank.

11" x 11" Sheet of Paper

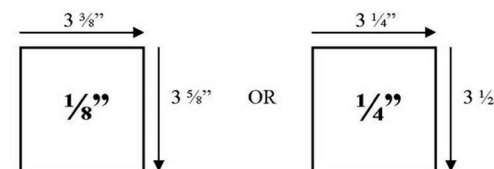

STEP 1:

STEP 2:

STEP 3: *For your patterned paper pieces you can choose from an insert $\frac{1}{8}$ or $\frac{1}{4}$ smaller. $\frac{1}{8}$ will leave minimal background showing. $\frac{1}{4}$ will leave slightly more background showing.

*You will need 4 of these squares unless you want to decorate the front and back of each layer in which you will need 8.

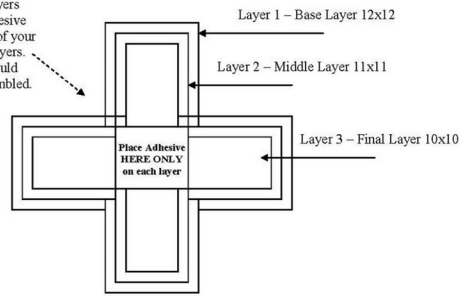

*Lastly, adhere your patterned paper to the layer leaving the center blank.

STEP 1:

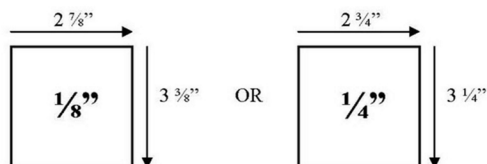

10" x 10" Sheet of Paper

STEP 2:

STEP 3: *For your patterned paper pieces you can choose from an insert $\frac{1}{8}$ or $\frac{1}{4}$ smaller. $\frac{1}{8}$ will leave minimal background showing. $\frac{1}{4}$ will leave slightly more background showing.

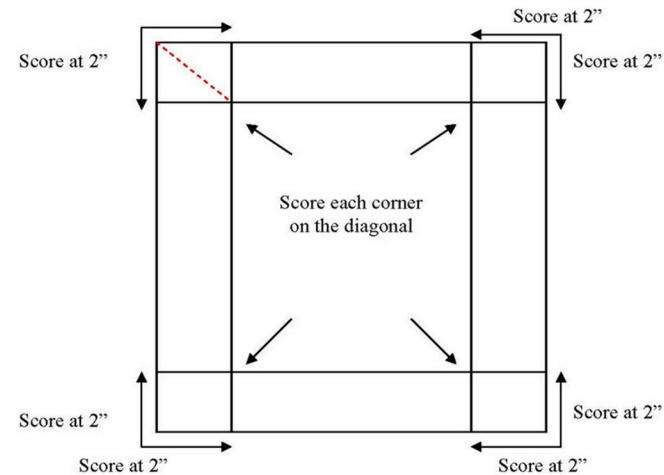

*You will need 4 of these squares unless you want to decorate the front and back of each layer in which you will need 8.

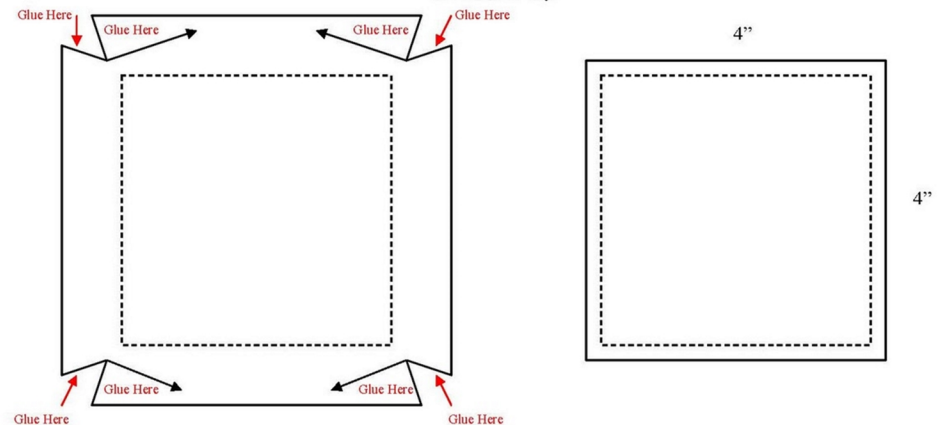

*Lastly, adhere your patterned paper to the layer leaving the center blank.

Step 1: Lid

8" x 8" Sheet of Paper

After scoring, fold the diagonal corners inwards and adhere to the inside. Make sure to also place glue on the outside of the corners. See diagram below. Place a paperclip on each corner and set aside to dry.

The lid will measure 4" by 4" in assembled.

Your top patterned paper will need to measure $3 \frac{7}{8} \times 3 \frac{7}{8}$ " or $3 \frac{3}{4} \times 3 \frac{3}{4}$
 Your side patterned paper will need to measure $1 \frac{7}{8} \times 3 \frac{7}{8}$ or $1 \frac{3}{4} \times 3 \frac{3}{4}$
