

A photograph of a sunset or sunrise over a field of tall grass. The sun is low on the horizon, partially obscured by the grass, creating a warm, golden glow. The sky is filled with soft, wispy clouds in shades of blue and white. The grass in the foreground is dark and silhouetted against the bright light of the sun.

Don't think about making art, just
get it done. Let everyone else decide
if it's good or bad, whether they
love it or hate it. While they are
deciding, make even more art.
