

Travel Refund Policies

IF A PARTICIPANT CANCELS THEIR REGISTRATION

Travel Program registration is confirmed upon receipt of a non-refundable deposit. That includes but is not limited to: if the participant cancels for any reason, including changed their mind, ill health of participant or death in the family. The deposit is forfeit.

For this reason, we highly recommend that you obtain your own independent trip cancellation insurance. These types of policies are offered by most insurance brokers. The Canadian Automobile Association offers a competitively priced policy. Also check with your credit card company as many include travel insurance as one of their features if used to make the purchase.

In addition to trip cancellation insurance, we highly recommend that travelers obtain out of country medical insurance for the duration of the trip.

All travel program payments are due and payable in full 120 days prior to the first day of the trip. For the Missouri Star Trip the payment due date is December 23, 2021.

Cancellations made prior to the 120 days payment in full will be eligible for a full refund of any monies paid over and above the non-refundable cancellation deposit.

Cancellations made 90 days prior to commencement of the trip are eligible for 50% refund of any monies paid over and above the non-refundable cancellation deposit. For the Missouri Star Trip that date is January 22, 2022.

Cancellations made within the 89 days prior to the commencement of the trip are not eligible for any refund of monies paid.

IF QUINCY'S QUILTING TRAVEL SERVICES CANCELS THE TRIP

If Quincy's Quilting Travel Services has to or chooses to cancel the "TRIP" for any reason including pandemic travel restrictions, freak acts of nature, or any other reason within or beyond our control the entire amount of monies paid are refundable. The monies received from the participant will be refunded within 120 days of Quincy's Quilting Travel Services date of cancellation. Only in this situation will the "Non-Refundable" deposit be returned within 120 days of the date of cancellation.
