

## “Whimsical Welcome”

24x36" banner

Cutting guide for lower arc

This template is larger than a piece of 8½ x 11" paper so you will need to select the “tile” option in your printer’s preferences to print it on several sheets of paper. Once printed, cut out and tape the pieces together to create the complete template.

Place on fold

Fold the banner in half, from side to side, and align the lower edge of this template with the lower edge of the banner. Mark the
