Excess Usage Charges – 6,001+ gallons	\$9.32 per 1000 gallons

Minimum Charge – Out-of-town Seniors* (includes 6,000 gallons of water usage**)	\$62.47
Excess Usage Charges – 6,001+ gallons	\$7.92 per 1000 gallons

Sewer Maintenance and Operations Charge (per EQR per month)
\$4.15

Sewer Surcharge for Non-Metered Water Service (per EQR per month)

1 st month	\$100.00
2 nd month	\$200.00
3 rd month	\$400.00
Each month after 3 rd month	\$500.00

Trash Removal Service (per month)

Non-Senior Rate	\$30.14
Senior Rate*	\$26.65

***To qualify for the senior rate, an owner/tenant must be 65 or older and occupy the residence. Will need to provide a copy of driver’s license or ID at Town Hall.**

** During November, December, January, February, and March, this charge is based on actual water usage, since minimal landscape irrigation takes place during these months. From April through October - when landscape irrigation usually takes place – a large portion of the water you use does not pass through the sewer system. Therefore, in those months, this charge is based on your average water usage from November through March.

***Based on actual water usage each month

Watering Restrictions

Effective **May 1 – August 31** of each year the outside watering restrictions go into effect. This means you cannot water outside between the hours of 10:00 am and 6:00pm. Also in effect is the Odd/Even watering schedule; total outside watering is limited to four (4) hours per day. Watering outside of the permitted watering hours and on dates not associated with your street address could result in fines.

If you are planning on installing new grass or landscaping a thirty (30) day watering exemption (from the water restrictions) permit may be acquired at Town Hall. **Water rates still apply.**

	EXAMPLE
Street Address	Dates for watering
355 Main Street	1,3,5,7,9,11,13,15,17,19,21,23,25,27,29,31
354 Main Street	2,4,6,8,10,12,14,16,18,20,22,24,26,28,30
