

North & South Main Street Road Rehabilitation

CONSTRUCTION NOTICE:

North and South Coalville Main Street Pavement Rehabilitation Begins September 1st

Coalville City advises residents, businesses and motorists of a pavement rehabilitation project on North (100 North to city limits) and South (100 South to city limits) Main Street in Coalville. The top layer of asphalt will be removed and replaced with a new layer and roadway signs will be updated. Crews plan to work Monday through Friday during daytime hours, with weekend work scheduled as needed. All work is weather-dependent. weather-dependent.

▶ WHAT TO EXPECT

- Lane closures will be effective in work zones and traffic will be directed by flaggers from 7 a.m. to 6 p.m. Motorists should expect travel delays and are advised to use alternate routes when travel is time-sensitive.
- Business and residential accesses will be maintained. Brief driveway closures are possible when equipment passes by during milling and paving operations.

🕒 TENTATIVE WORK SCHEDULE

The following are planned construction activities. Please note that due to weather conditions, emergency situations or equipment/supply issues, schedules are subject to change.

- **September 1-8:** Install traffic control, lower utility manholes and complete selected roadway shoulder repairs.
- **September 4-7:** Construction activities will be suspended for Labor Day holiday weekend
- **September 9 - late September:** Mill and repave mainline Main St.
- **Late September - Early October:** Raise utility manholes to grade, place pavement markings and install new signs.
- **Mid-October:** Final clean-up and project completion.
