### Row By Row 2015

We have a limited number of Row by Row kits and license plates still available. We will not be remaking our kits - once they are gone, they are gone.

We are already working on next summer's event with new plates and a new row.

If you want to collect the pattern we do have black and white copies available for \$1.00 each. If you prefer a color copy, they are \$5.00 each.

You can order all our Row by Row items (including patterns and fabric) through our website or call the shop directly.

We are excited to announce we are an official dealership of Schacht Spindle Company. We have had a lot of interest in looms and spinning. If you are curious be sure to come to our loom club in November to learn more about looms and spinning. We will start having product available in November and more upcoming classes and clubs for the weaver and spinner.

We are moving our Halloween and Fall fabrics out! Come in during November and receive 35% off all Halloween/Fall/Harvest fabrics. Minimum 1 yard cut.

We are gearing up for December with some fun and silly events, be sure to keep in touch through our Facebook page and email.

Thank you for supporting your local fabric and yarn shop.
