## BALI: TULAMBEN

### SEPT 26 – OCT 7, 2027

Join your Denver Divers crew as we return to the stunning Alam Batu Resort in Tulamben—home to some of Bali's best diving. From vibrant coral walls and rare critters to the iconic USAT Liberty shipwreck, there's something for every diver. Most dive sites are just minutes away, making it easy to dive more and travel less.

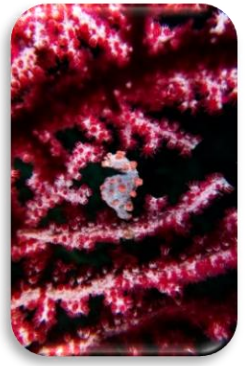

During your nine-night stay, choose your own adventure: enjoy unlimited daily diving, indulge in spa treatments, or explore Bali on guided day trips. Whether you're an avid diver, an occasional explorer, or a non-diver looking for a tropical getaway, this group trip offers the perfect balance of excitement and relaxation.

A \$1,000 deposit will hold your space with interim payments due beginning March 2026.
