

DENVER ADAPTIVE DIVERS: CURACAO BASH SEPTEMBER 19-26, 2026

Pristine beaches and gorgeous coral surround the ABC island of Curacao in the Lesser Antilles. Denver Adaptive Divers is taking you to Dolphin Suites Resort located on one of the best dive sites in Curacao and Ocean Encounters will be taking us around the island for boat diving throughout the week. Dolphin Suites is uniquely set up to accommodate for any and all differently abled in each and every room on property, making this the perfect Adaptive Diving destination!

Other opportunities include participating in coral restoration with Reef Renewal Curacao or participate in a lionfish cull dive. In addition, we will have the opportunity to do unlimited shore diving from the house accessible beach.

A \$500 deposit will confirm your space on the trip and the final payment will be due 60 days from departure. Contact alimiller@denverdivers.com or 303-399-2877 to sign up!
