

# DOMINICA

## APRIL 10 – 18, 2026

Known as the “Nature Island” of the Caribbean, Dominica is covered in lush tropical forests while also being surrounded by some of the best reefs in the Caribbean. Experience diving in the pristine waters surrounding the island, relax on the beach or go for a hike to the world’s second largest hot spring! Denver Divers is bringing you to Jungle Bay Eco-Resort, where you will spend seven luxurious nights with delectable dining options, rejuvenating spa treatments and the utmost in personalized service. Our packages are priced the same, as a diver you get to dive daily and as a non-diver, you can choose daily to go on any one of the many land excursion options or stay behind for a spa treatment and relaxation. Whether you are a diver or not, you should be joining us in Dominica!

A \$1,000 deposit will confirm your space on the trip and the final payment will be due 60 days from departure.
