

PALAU

AGGRESSOR II LIVEABOARD

APRIL 10 - 22, 2024

Palau's Rock Islands will enchant you from the moment you fly over the country. Between the channels of these islands are some of the best dive sites in the world, including the famous Blue Corner and German Channel! Aside from the gorgeous corals and tropical Pacific fish you will see on every dive, you also will have the chance to dive with sharks, mantas, and even the elusive cuttlefish.

Denver Divers is taking you to Palau for a three-night stay in Koror to tour the historical World War II sites, discover the beauty of the land and people of Palau and relax before your 7-night liveaboard adventure. Once on our way, we will be diving 4-5 dives per day with the Palau Aggressor II, so what are you waiting for?
