Handout with list and costs was distributed to all members. The most expensive item would be the volleyball system that would be stored at the Haven Grade School gym. Board would like to speak with the Haven PTO about splitting the cost.

Football flags, volleyballs, and softballs on the list can be removed because these items are already purchased, on-hand, or budgeted to be purchased. Pitching mats can be removed due to lack of usage from the recreation.

ACTION: Chairperson Schoepf-Pearce motions to move 2022 excess revenue to 2023 for the purchase of a volleyball net system, volleyball carts, pom poms, and additional cornhole boards.
