GENERAL CLASS INFORMATION:

Most classes have homework that will need to be done prior to class. Please make sure that it is finished before class. Homework can not be done in class as the instructor will not have time to help with homework. It also takes away time from other students getting their projects finished in class. Please bring basic sewing supplies to class and your machine. Basics include: machine, thread, rotary cutter, seam ripper, scissors, and ruler. Cutting mats, irons, and ironing boards are available in the classroom. Feel free to bring snacks or a lunch, we do have a microwave and refrigerator available. Class fees are due at the time of registration, and are nonrefundable. If we need to cancel a class due to weather or sickness we will refund fees. If you are in need of assistance bringing your machine into the classroom, please let us know upon arrival and we will gladly help.
