Thank you for choosing our vintage retreat. Here is a list of items that you will find in our retreat. Plus, we give you a few ideas of what to bring. We hope your stay will be a memorable time with family and friends.

Items we have:

Each guest will have two towels and wash clothes, and an extra set of sheets so you can change the bedding before you leave.

A pillow will be on your bed, but we do have extra in the closet in each room along with vintage pillowcases.

Each bed has a vintage quilt and nice blanket. If you need more you'll find a few extra red quilts in the red room.

There are two cutting tables with extra-large mats. If you need an extra table or ironing board you'll find it in the closet in the main floor bedroom. We have a design wall hanging in the sewing room. I have put an extra design wall in the same closet that tapes up on the wall in the dining room. Only use the painter's tape that is in the bag to hang it up. There are two ironing stations with Reliable irons. **Please bring 2 gallon jugs of distilled water for these irons.**

Large shower in both bathrooms. One upstairs and one on the main floor. Hand towels and hand soap in each one. There are a few extra items in the bathroom in case of an emergency, along with a blow dryer and curling iron upstairs.

You'll find a peg board by the backdoor for coats, hangers in the closets to hang clothes. Please place all towels, sheets and pillowcases in the hamper on the last day. They are located upstairs in the bathroom and on the landing. There is also one in the main floor bedroom.

The coolest room in the house is the Lavender room and the warmest is the Pink room.

The TV in the cutting room is a Smart TV, we do not have cable only an antennae. But if you have a Netflix account you can sign in on the TV. If you would like to bring a movie with you there is a DVD player.

The kitchen has the following: coffee pot with filters, **Keurig** coffee maker, dishes, bring your own coffee or K-cups, silverware, toaster, Belgium waffle maker, 2 crock pots, hand mixer, storage bowls, blender, glasses & mugs, cutting boards, first aid kit, ice trays, oven, stove, microwave, refrigerator, teapot, dish and hand soap, menus to local restaurants, trash bags, paper towel, salt & pepper. There are a few spices and baking goods that I leave in case you need them. In the linen closet in the hallway you will find vacuum, broom, toilet paper, paper towel, cleaning supplies, and mop in case you need them.

What you should bring: paper plates & napkins, coffee or tea, and distilled water for the irons. The password for the internet is listed on the wall in the main sewing room. You will enter it under retreat guest. If a breaker pops, this is rare, but it does happen. You'll find the electrical box in the basement, in the right corner once you walk down the steps. Just switch the breaker back.

In case of an emergency you can contact my personal phone at 989-274-0132, or if I'm not available contact my husband, Mike, at 989-737-9927. Leave a message if we don't answer. Last resort would be our son Derek 989-574-7481

We hope you'll enjoy your stay here. I've put a lot of time and effort into making sure you are comfortable and feel at home. Great memories have been made here!

The coolest room in the house is the Lavender room and the warmest is the Pink room.

The TV in the cutting room is a Smart TV, we do not have cable only an antennae. But if you have a Netflix account you can sign in on the TV. If you would like to bring a movie with you there is a DVD player.

The kitchen has the following: coffee pot with filters, **Keurig** coffee maker, dishes, bring your own coffee or K-cups, silverware, toaster, Belgium waffle maker, 2 crock pots, hand mixer, storage bowls, blender, glasses & mugs, cutting boards, first aid kit, ice trays, oven, stove, microwave, refrigerator, teapot, dish and hand soap, menus to local restaurants, trash bags, paper towel, salt & pepper. There are a few spices and baking goods that I leave in case you need them. In the linen closet in the hallway you will find vacuum, broom, toilet paper, paper towel, cleaning supplies, and mop in case you need them.

What you should bring: paper plates & napkins, coffee or tea, and distilled water for the irons. The password for the internet is listed on the wall in the main sewing room. You will enter it under retreat guest. If a breaker pops, this is rare, but it does happen. You'll find the electrical box in the basement, in the right corner once you walk down the steps. Just switch the breaker back.

In case of an emergency you can contact my personal phone at 989-274-0132, or if I'm not available contact my husband, Mike, at 989-737-9927. Leave a message if we don't answer. Last resort would be our son Derek 989-574-7481

We hope you'll enjoy your stay here. I've put a lot of time and effort into making sure you are comfortable and feel at home. Great memories have been made here!

Thank you for choosing our vintage retreat. Here is a list of items that you will find in our retreat. Plus, we give you a few ideas of what to bring. We hope your stay will be a memorable time with family and friends.

Items we have:

Each guest will have two towels and wash clothes, and an extra set of sheets so you can change the bedding before you leave.

A pillow will be on your bed, but we do have extra in the closet in each room along with vintage pillowcases.

Each bed has a vintage quilt and nice blanket. If you need more you'll find a few extra red quilts in the red room.

There are two cutting tables with extra-large mats. If you need an extra table or ironing board you'll find it in the closet in the main floor bedroom. We have a design wall hanging in the sewing room. I have put an extra design wall in the same closet that tapes up on the wall in the dining room. Only use the painter's tape that is in the bag to hang it up. There are two ironing stations with Reliable irons. **Please bring 2 gallon jugs of distilled water for these irons.**

Large shower in both bathrooms. One upstairs and one on the main floor. Hand towels and hand soap in each one. There are a few extra items in the bathroom in case of an emergency, along with a blow dryer and curling iron upstairs.

You'll find a peg board by the backdoor for coats, hangers in the closets to hang clothes. Please place all towels, sheets and pillowcases in the hamper on the last day. They are located upstairs in the bathroom and on the landing. There is also one in the main floor bedroom.

The coolest room in the house is the Lavender room and the warmest is the Pink room.
