1930's/1940's Retro Relived Event

May 2nd-5th, 2018

Join us for our 1st Annual Retro Relived Event! It's time to pull out the vintage quilt that Grandma made, or the reproduction quilt you've made. Enter them into our event and have a chance to win one of two \$100 gift cards. Quilts entered must represent the 1930's through the 1940's, and new quilts made from reproduction fabrics of this era. Summer is the best time to get these bright and cheerful quilts out and enjoy their time proven patterns. Enter your quilt into the event by filling out the registration form below.

There will be two separate categories: Vintage & Reproduction. For those entering a quilt they must be dropped off along with the registration form between April 21st-28th. During the event customers will vote for their favorite in each category. Winners will receive a \$100 gift certificate for the shop, and be featured on our Facebook page and website.

To make the event even more special, wear any item from the 30'-40's and receive a special discount. Maybe you have a vintage apron, dress, or special hat from grandma. This is the perfect event to pull it out and show it off. Plus, all reproduction fabric will be on sale at 30% off, along with refreshments and prizes each day of the event!
