

One World Aquatics Swim School Course Agreement

We would like to thank you for choosing One World Aquatics for your child's swimming education and development. Our philosophy is to offer our customers the best in swimming education and development. We intend to provide you with a quality product and outstanding customer service.

PLEASE READ EACH ITEM CAREFULLY AND INITIAL IN THE SPACE PROVIDED. IF YOU DO NOT UNDERSTAND SOMETHING OR HAVE ANY QUESTIONS, BE SURE TO ASK THE STAFF FOR CLARIFICATION.

____ I understand that One World Aquatics requires all parents/caregivers to remain in our facility during the child's swim lessons.

____ I understand that registering reserves a spot in the swim lesson program. Because space is limited and instructors contracted, cancellations cannot be refunded.

____ I understand that I must pay the full price of each session upfront before my child is registered for lessons.

____ I understand that missed lessons cannot be made up and refunds are not issued.

____ I agree to assume all liability for my child/children while attending any program managed by One World Aquatics. I further agree to hold harmless One World Aquatics or any of its instructors, staff members, employees or assigns for any complications or injury that may result to my child/children or to me while at the One World Aquatics facility.

____ I understand that One World Aquatics reserves the right to cancel any program and to change fees where applicable.

____ I understand that while One World Aquatics will try to keep a consistent instructor for each class, a substitute instructor may be required due to instructor illness or absence.

____ I understand that it is important to begin class on time each day and that my child's tardiness will negatively affect the instructor and other students in the class.

____ I understand that if my child is not potty-trained then they must wear a swim-diaper for the duration of their class. A regular diaper will not be accepted and my child will not be able to get in the water unless they are wearing a swim diaper.

____ I understand that communication is very important to the staff at One World Aquatics and that One World Aquatics will provide time after each class to discuss my child's progression with the parent/caregiver. As the parent/caregiver I agree to communicate any issues, concerns, or important information concerning my child to the Instructor or Program Director.

____ I understand that in order for One World Aquatics to provide the best quality swim

instruction that as a parent/caregiver I cannot be on the pool deck while the child's lesson is in progress. Parents may watch the lessons from the Parent Resource Room or from the ramp located near the back entrance.

____ I understand that I and/or my child may be photographed and/or filmed while participating in One World Aquatics programs and that the photographs or video images may appear in marketing or educational materials.

____ I agree to adhere to One World Aquatic's pool rules, policies and procedures.
