Hand Work Retreat
Teacher: Nancy Chong

Supplies:

- Applique and/or hand quilting project(s) already started and/or patterns you want to start.
- Patterns those you're working on and those you want to start. If you like to keep your patterns in original condition, don't forget to bring some tracing paper to use for templates. Nancy will have her Pacific Rim Quilt Company patterns available if you don't already have the one(s) you want.
- Fabric for these projects (when in doubt, bring more), and remember we're in a fabric store! ***Receive 15% off supplies when you purchase them in-store.***
- Notions you'll need to work on your projects (pins, needles, marking tools, rulers, etc.)
- Thread to match the fabrics you're bringing (we always want the thread to match the applique fabric, rather than the background)
- Rotary cutter and/or scissors if you are going to sew on the binding, and or starting new designs/patterns
- Fabric scissors and/or snips
- Your favorite hand sewing notion for Show and Share. My new favorite is the [Sewline](#)® chalk marking pencil. I like to use marking tools that rub off , rather than liquid markers that just might become permanent.
