LOADING INSTRUCTIONS (circle one)

If your backing has a seam - which direction should it go?

Thread Color _____

Design to be used _____

Design Notes _____

Please Note:

- * All quilt backing must be at least 4" larger on each side than the quilt top.
- * All quilts must be clean and pressed. Please ensure all edge seams are secured with a tacking stitch.
- * If we need to press your quilt top or back, or repair any seams, there will be an additional fee of \$20.00/hour
- * If you are providing batting: 1. It must be at least 4" larger on each side than the quilt top. 2. We do not guarantee the results.

Example: Your quilt top is 60" x 80". Your backing and batting must be at least 68" x 88".

\$50 MINIMUM FEE
