There are several benefits to using the Gift Registry feature on our website, including being able to get help from Quilting Mayhem staff if you're having any issue with your order.

TIP: To make this process easier, **FIRST** add these email addresses **info@quiltingmayhem.com** and **no-reply@quiltingmayhem.com** to your email contacts **AND** your "safe sender" list to make sure you receive our emails and your receipts and e-invoices.

Log in to your account with us and follow the steps below to create your Gift Registry list:

- **Click here** to create or log in to your account.
- (Be sure to use the same email address that you use for our newsletters.)
- Click on Gift Registry to create your new list (you can have more than one!).
- Be sure to make the list "public."
- When you shop the site, you will see a button called Add to Gift Registry. Simply select the quantity and add it to your registry. (You must be signed into your account to do this.)
- When you are ready to share your registry, simply click Copy Link on the registry you would like to share. Give that link to all your friends and family! Your public registry can also be found by searching **here**.
- **TIP:** While we can't see inside your shopping cart, we CAN see what's in your Gift Registry if you make it public. This is really helpful if you are having trouble with your purchase.
