

## Quilting Mayhem 2018 UFO Challenge Rules

### Following AllPeopleQuilt.com

Participants must submit their list of 12 UFO projects with the beginning status of each project filled out by December 30, 2017 to be eligible for the challenge. Please make sure your contact information is on the sheet.

There should be 12 UFO projects. These can be anything from a bundle of fabric that you've been dying to use, to kits not started or in the middle of progress, to runners, clothing, bags, etc.

\*UFO's quilts in a beginning phase (just fabric, kits in early stages, quilts in early stages) that you turn in to completed quilt tops earn one entry.

\*UFO quilts (throw size and larger) that go from beginning phase all the way to completed and bound will earn a bonus entry.

\*Smaller quilts projects such as mug rugs, runners, wall hangings need to be all the way completed through the binding process to earn an entry.

You may add up to 5 bonus projects to the sheet (once the 12 lines are filled). Bonus projects will count for an extra entry into the drawing only if the original month's UFO is submitted. You cannot skip the UFO project assigned and do a bonus project instead for an entry.

The UFO number assigned for the month will be determined by Allpeoplequilt.com. We will announce via email (to those people who give us their email address), in our newsletter, and Facebook on the first of the month after Allpeoplequilt.com announces the assigned number.

Proof of completed UFO must be presented to a Quilting Mayhem staff member by the end of the month to be entered into the monthly drawing and count towards full completion for the year-end drawing.

The drawing of the entry winner will be selected the first week following the last day of the entry month. For example: January entries are due by Jan. 31. The winner will be selected by Feb. 7.

A Full-Year-Completion Grand Prize entry is given to those who complete each month's assigned UFOs turned in during each assigned month from January 2018 to December 2018. This means you will have been entered into each monthly drawing for having completed each month's assigned UFOs.

There will also be an Over-Achiever Award for anyone who completes all 12 months' projects plus all 5 bonus projects. UFO day and night classes are available monthly for help with your UFOs.
