

***Easter Bunny Wreath Bag***  
***February 27, 2023 - Val Summervill***

***Fabric A: ½ yd WOF - Outside bag fabric***

***Fabric B: ½ yd WOF Bag lining fabric***

***Iron Babylock Ultra Soft onto the wrong side of the outside bag fabric.***

***Draw a line up the left side of your bag fabric just inside of the selvage. Then measure over 17" to the right draw another line from top to bottom. This will be the front of the bag. Next measure another 17" to the right and draw another line for the back of your bag. Cut these apart on the lines. The remaining fabric will be used for your handles. Cut 2 pieces 4" x 18" for handles.***

***Fold both handles in half lengthwise and press. Fold both sides to center and press again.***

***Measure in from the left side and find center on the bag front, draw a line from top to bottom for lining up in your hoop.***

***Hoop up your no-show mesh and fabric with Ultra soft on the back and stitch out your design.***

***Construct your bag by matching the side seams and stitching 1/2" sides seams down both sides and then sew across the bottom of the bag. Set aside.***

***Topstitch both handles on both sides and then measure in approximately 4" from side seams and pin in place.***

***Cut 2 pieces of lining 17" x 18". Stitch both sides of lining and then stitch across the bottom leaving an opening to turn the bag.***

***Place bag inside of the bag lining, right sides together, pin the top and stitch closed.***

***Turn bag right side out and press top of bag and then topstitch to complete.***
