## KB Happy Place Rope Bowls - "Hello Sunshine"

### Supplies:

- KB Happy Place Rope Bowls CD
- KB Happy Place Embellishment (optional)
- KB Project Rope (**I do heavily suggest using the KB rope**)
- KB Medium Cut-Away Stabilizer
- KB Shape Form
- KB Fusible Backing
- Embroidery Machine (5x7 Hoop) & Embroidery Foot
- Sewing Machine (if embroidery machine is not a combo machine)
- Embroidery needles (whichever you prefer) & Sewing needles (KB suggests 80/12, I used 90/14 Universal)
- Embroidery thread to match design
- Sewing thread and matching pre wound bobbin, color matched to your rope
- Sewing presser foot. I used our J foot/ Zigzag Foot. You want to have good coverage and presser on your rope, so an open to foot would not be a good option. **MAKE SURE PRESSER FOOT HAS A CENTER MARK!!**
- Fabrics
- Basic sewing supplies i.e. seam ripper, scissors, extra needles 80/12 or 90/14...
- Fray Preventive
- Marking Pen
- KB Paper Tape

### Prep Work:

- "Hello Sunshine" 5" x 7" Design loaded onto USB
- Instructions pre-printed
- Fabrics cut and prepped with the fusible backing where needed, in instructions. (On page 35)
