

## **Instructions and Supply List for Flower Farm Wall Hanging Quilt**

All fabric **must** be cut prior to attending the first class. Follow the instructions on page 45 in the Barn Star Sampler book.

We will be concentrating on assembling the 3 blocks in class, not cutting the fabric to assemble the blocks. You will finish the required number of blocks at home needed to complete the quilt.

Class 1: corner blocks

Class 2: side blocks

Class 3: center blocks

### **Supplies required for class:**

- Barn Star Sampler pattern book
- Lettered pins to mark pieces of cut fabric
- Rotary cutter
- White or light grey thread
- Bobbin with selected thread color
- Ruler to square units of the blocks
- Easy Press pen and fabric treatment liquid
- Sewing machine, scissors, needles, clips, other accessories you use to sew projects
