

ITH Patriotic Table Runner Supply List

May 11th & June 1st

10am – 1pm

Fabrics:

Kits available or please refer to JuJu's cut list for fabrics.

Batting – I used Air Lite batting behind every block, I did not add anything additional.

SF 101 or similar product

Supplies:

Applique scissors

Embroidery threads

Sewing thread for piecing and binding

Bobbins

Needles

No Show Mesh

6x10 or larger hoop (project can be done in 5x7, but whole project is smaller. Kit is cut for 6x10)

Standard sewing supplies like seam ripper, pins or clips.

I would highly recommend using the bag method when cutting and labeling each bag with a block. It is easy to get pieces mixed up and this helps SO much.

Cut sizes are VERY generous, but this is because seam allowances are larger than projects like Kimberbell, so if you question any of these sizes, it is right.

To prevent pulling during embroidery, back each block with SF 101 or something similar, even the small blocks.
