

Above & Beyond

SEWING VACUUM

Jelly Roll Rug
Friday, June 19, 2026
9:00 a.m. to 4:00 p.m.
Val Summervill – Instructor

Supplies:

- 1 – Large Jelly Roll (at least 40 strips)**
- 1 – Jelly Roll Batting Strip Package (available from Above & Beyond)**
- 1 – Clover Fabric Tube Maker**

Other Supplies:

Sewing Machine with straight stitch and zig zag stitch (I suggest that you not plan on using a very basic small machine. A larger machine will have better results)

Sewing Extension Table if you have one would be helpful

Matching thread or coordinating thread

90/14 Jean Needle (new)

Open Toe Foot

Stitch in the Ditch Foot (optional)

Iron and ironing mat

Prior to class:

Please sew your jelly roll strips together, end to end mitering the ends and press. It will also help if you have your jelly roll rolled onto a tube of some kind.

If you have questions please call me at the store.
