- 2) Sew a contrasting 1 ½" strip between the two pieces as shown. Press towards the 1 ½" strip.

- 3) Make another cut horizontally as shown below – appx. 3" from bottom of square. Sew another 1 1/2" strip between the 2 sections. Press.

- 4) Trim block to 9".

- 5) Continue cutting squares in assorted measurements, and sewing strips first vertically, then horizontally to make a total of 30 blocks. Lay out the blocks, rotating as needed, 5 blocks across and 6 blocks down. Sew the blocks together to complete your quilt.
