

Westfield: Stained Glass Laser Cut Applique Supply List

- Iron
- Pins AND Clips
- You can choose to stitch this on with either a regular needle or a twin needle.
- Thread, if using a twin needle you will need 2 spools. Black. You can choose between cotton or embroidery thread. I used embroidery thread for a more decorative look due to the shine.
- Backing fabric if you think you will be able to get it finished during class.
- Batting, I used a double sided fusible and fused my front down and then the back down.
