

THE ARTISTIC ALPHABET

Supplies:

Embroidery Machine in good working order (bring feet and accessories that go with your machine.)

✂️ Embroidery foot (required)

✂️ Sewing thread to match fabric

✂️ Basic sewing supplies (seam ripper, pins or clips, scissors, tape measure, marking pen, rotary cutter, extra bobbins.)

✂️ Janine Babich Design Patter – The Artistic Alphabet

Please cut out fabric prior to coming to class. (Please contact Mo if you have any questions.)

Use spray starch to press fabrics prior to cutting. This will reduce distortion and make finger pressing easier.

✂️ Fabric requirements for 1 block with letter.

✂️ Fabric A: 9" x 9" (Note: this is for front of block. You have the option to add a smaller square on this in addition to adding the letter)

✂️ Fabric B: 6-1/2" x 6-1/2" if you choose to have your letter embroidered on a different block than the background block.

✂️ Fabric C: 6" x 6" Fabric that you will cut out and embroider around. This will be the letter.

✂️ Remember that the above measurements are for ONE letter. You will need these measurements for each letter of what you decide to embroider. *I suggest you choose a word with 4 or 5 letters.
