

Binding Class Supply List

Project that needs binding. This must be a project that is finished and ready for binding. Do not square up your quilt, we will learn how to do this in class. (placemats work well also or you can quilt a large square for practice)

Fabric for binding (depending on the size of your project you will need ½ to 1 yard of fabric. Please do not cut fabric prior to class. We will need width of fabric pieces not scraps. We will cut binding strips in class.

Machine in good working order with all attachments and manual.

Rotary cutter and Mat

1/4 inch foot for your machine (***required***)

A long ruler 6 x 24 or similar size and a square ruler 9x 9 or similar size

Optional (June tailor 12 x 12 inch shape cut ruler) This ruler works great for cutting strips It may just become your favorite ruler.

Basic sewing supplies (scissors, needle and thread, fabric marking pencil or chalk, pins or binding clips)

1/4 inch steam a seam 2 fusible. (For sewing your binding down by machine) I will also show you how to sew it down by hand.

Chenille Quilting

Supply List

For this class you will need one of two fabric options:

1. You can use 4 fabric panels that are exactly the same with backing that is a little larger than the panels or
2. You can use 4 layers of homespun cotton fabric that is at least 1 yard each or 1 ½ yards each.

You will also need coordinating fabric for binding approximately ½ yard.

Machine in good working order with all attachments and manual.

Walking foot with quilt guide **(required)**

Chenille cutter to cut your strips. (Olaf chenille cutter works or electric scissors if you have them.)

Basic sewing supplies (scissors, fabric marking pencil or chalk, pins)
