Class preparation – prior to class please pre cut all fabrics according to the cutting directions on the CD. Please print all directions and have the designs loaded on a USB or transferred to your machine.

Please prepare all background fabrics that will be embroidered.

Choose either

- 1 Spray with terial magic and fuse with babylock ultra soft fusible stabilizer or**
- 2 Fuse SF101 and then fuse babylock ultra soft fusible stabilizer**

If you wish to pre quilt any of the background blocks, please do so prior to class.

For Class Part 2 (sewing)

-Sewing machine, Regular sewing foot (1/4" foot) if you have!

-Hand Sewing Needle

Have all your other fabrics prepped with ultra soft or stabilizer you used. Avoid the fabrics you will be using for the pins wheels, and the fabrics for the Yo-Yos. (we will go over this at the end of class day 1)
