

Mystery #41
Sewing Part 2

*referring to our units we made in the previous sewing part 1 are (unit As)

Step 1; sew four Unit As together in the following fabric order to create column 1;
G (lt. blue small flower), E (red grunge), E (red grunge), J (blue flowers)

*be sure to refer to the picture below to make sure your blocks are facing the right direction.

*repeat this step to make a total of 3 columns. Press.

Step 2; sew four Unit As together in the following order to create column 2;

F (navy plaid), K (navy thatched), K (navy thatched), D (lt. blue flags)

*be sure to refer to the picture below to make sure your blocks are facing the right direction.

*repeat this step to make a total of 3 columns. Press.

Step 3; sew six Unit As together in the following order to create column 3;

G (lt. blue small flowers), G (lt. blue small flowers), C (navy star), C (navy star), F (navy plaid), F (navy plaid)

*be sure to refer to the picture below to make sure your blocks are facing the right direction.

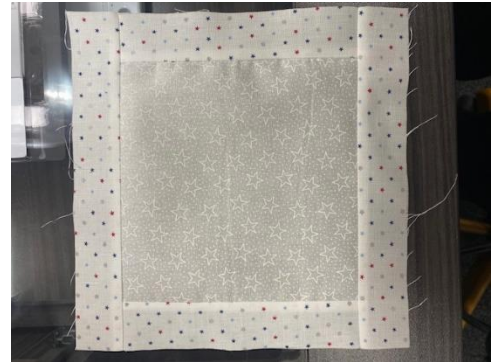

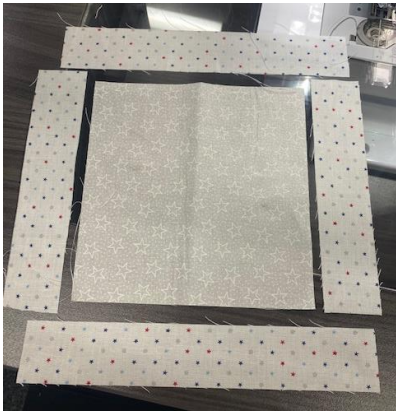

*repeat this step to make a total of 3 columns. Press.

Step 4; sew six Unit As together in the following order to create column 4;
 J (blue flowers), J (blue flowers), B (red star), B (red star), D (lt. blue flags), D (lt. blue flags)
 *be sure to refer to the picture below to make sure your blocks are facing the right direction.
 *repeat this step to make a total of 3 columns. Press.

Step 5; from fabric H (white w/ mini color star) you should have a few left over strips of fabric that should measure 1.5xWOF. We are going to subcut them into (6) 1.5x6.5 and (6) 1.5x8.5
 Step 6; Take fabric A (white on white) (3) 6.5 squares and your fabric H strips place one 6.5 pieces on left & right side of block. Sew RST. Press. Then take two 8.5 pieces top & bottom of block. Sew RST. Press.
 *Your block should now measure 8.5x8.5. repeat for a total of 3 total blocks.

Step 7; Now were going to sew the columns onto the center blocks we just created.
 *Lay out your block with column A on the left side of the block.
 *Column B on the right side of the block
 *Column C on the top of the block
 Column D on the bottom of the block
 *refer to the pictures below to make sure you all blocks are facing the right direction and matching the right fabrics!
 *repeat to complete 3 total blocks. They should measure 12.5x12.5
