

Mystery #43
Sewing Pt. 2

Step 1; Take your (3) 7.5"x7.5" white squares. Iron on fusible backing to the wrong side (SF101, DreamWeave, Fusible Backing etc.)

Step 2; From your remaining left over colored fabric cut the following;

Green- (3) 6x6 Squares

Purple- (1) 6x6 Square

Blue- (1) 6x6 Square

Pink- (1) 6x6 Square

Yellow- (1) 6x6 Square

*these are going to be used for your appliques.

Step 3; Trace your applique flower pieces separately 3 different times on Steam A Seam or Heat n Bond. Then iron the correct pieces to the correct colors on the wrong side of the fabric.

Green- Leaves & Stems

Yellow- Center of flowers

Blue, Purple, Pink- Flowers

Step 5; Iron down onto the white squares. Make sure to iron down onto the white square on point, the stem is in the point of the square.

Step 4; Using your preferred method, applique all the pieces down.

Repeat for all three blocks!!

*if you decided you would like to use the IQ on your machine I have written the directions and have attached them to the calendar for July 18th 2023
