

October Project – Be Genuine Top by Ellie and Mac

This is a confident beginner pattern where we will practice bands/binding, top stitching, attaching a hood and lining.

-Go to <https://www.ellieandmac.com/collections/juniors-womens-patterns/products/be-genuine-top-pattern?aff=1296> to download the pattern. We will have a master copy to trace your size from in the shop but you need to purchase the pattern so as not to infringe on copyright laws and that we give credit where credit is due. We will be asking for proof of purchase at the beginning of class. If you are unfamiliar with pdf patterns, not to worry! We can show you how it all works and help you purchase right from your phone in class.

- See the pattern link for required fabric amount for your measured size as well as required stretch, etc. There are lots of great options for fabric on this pattern. Rayon Spandex for a lighter weight, French terry, supplex or athletic blends are also nice for a more stable or heavier weight.

- matching thread for your serger (4 spools)
- 3/8 grommets (I will supply the grommet tool)
- cording or drawstring (see pattern for measured size)
- pins or clips
- rotary tool or scissors to cut out your fabric and pattern
- Pattern weights (optional)
