

# Timber Gnome Pillows

- Trim each panel to outer black edge and add ¼" seam allowance
  - Cut your red plaid fabric into 2" strips
  - Attach red plaid to top/bottom & side side.
  - Cut backing fabrics to 13.5" x 10" (two each pillow)
  - Sew a double fold along one long edge on each pillow back
- Attach back to front, right sides together, overlapping backs in center.
  - Stitch around all four sides
    - Trim corners
    - Turn right side out
  - Stitch in the ditch to create flange
  - Make a customer size pillow form
